

GLENORIE

No matter how much the grass at this 2-hectare (5-acre) property is slashed, it will never be as much as the price. Having realised their mistake in rejecting a much higher offer in the past, the vendors have greatly reduced their expectations and are now prepared to accept market price for what is arguably one of the finest vacant blocks anywhere in the Hills. It is now up to the buyers to perform and we strongly advise that they do that sooner rather than later.

- * Superb square-shaped 2-hectare block
- * One hundred per cent arable land
- * Three minutes' drive to Woolworths
- * Each boundary in excess of 130 metres
- * Sits on the high part of a serene cul-de-sac
